EXTRA

LIEUT. JORDAHL

Lieut. Jordahl, Company Commander, has just returned from an eight day leave of absence. Lieut. Jordahl visited in the state of Montana.

MR. SCANLON

Mr. C.M. Scanlon, Subaltern, underwent an tonsil operation, on November 2nd. Mr. Scanlon will return to duty immediately upon full recovery.

DISTRICT INSPECTORS

Mr. Alvin Session, District Inspector, Fort Douglas District, made two inspections of camp during the month of October.

Mr. Larkins, District Quartermaster, Fort Douglas District, also made an inspection of camp during the month of October.

CHAPLAIN CURTIS

Chaplain R.D. Curtis made three visits to camp during the month of October. On his last visit Chaplain Curtis gave a welcoming address to the new members of the company. The Chaplain has also changed his schedule - he will be in camp on Thursdays instead of Friday.

FATHER BURKE

Father Burke, Catholic Priest, for Park City, will begin his weekly Mass Services this week. To date, no definite time has been scheduled, however, ample notice will be given, so that those desiring can attend these Masses.

DETACHED SERVICE

The following named members of the company went on Detached Service with the Brigham City Camp: R. West, J. Beatty, M. Cole, H. Tucker, A. Kaufman, J. Dawe, C. Russell, D. Shelton, G. Overcash, L. Jaster, H. Morris, M. Curtis, J. Cooper, J. Zakrasek, R. Kiser, F. Fisher, E. Mason, D. Cottey, T. Fairbanks, F. Hincken, and D. Draskovich.

FRANK COTH, SECTION LEADER, was successful in bringing in his deer again this year.

ORIENTATIVE PROGRAM

The four day Orientation Program conducted-for the new replacements-has been very successful. To date only one member has gone "over-the-hill." This is a very good record and very much in the keeping with the "Let's Make the 90,000 'Rookies' Stick," saying by Director Fechner.

CORRESPONDENCE COURSES

For the benefit of those that have not already been informed: There is available in camp nearly any desired subject for correspondence courses. These courses are available from the California State Department of Education, P. A. Adult Education for the States of Utah and Idaho. There is absolutely no charge for any of these courses. A course has from six to twelve lessons. Upon the successful completion of the course a certificate is issued.

CAMP CLASSES

All members of the company have now registered for at least two classes. We want to keep our participation in the camp program on top. Each class will be held twice each month for a period of one hour. All classes will be held according to the schedules posted throughout camp. The newly organized Spanish Class will begin on Thursday, November 9th.

CAMP ORCHESTRA

The Camp Orchestra consisting of Lowell Pfeifer, Harvey Owens, Nelson Ward and Ralph Burgess, have been very much in demand during the month of October. The orchestra played for the High School Halloween dance on October 31st. On November 9th., they will play for a meeting of all the Harbor Wards at the Stake House. Arrangements are also being made for an audition over station KOVO, Provo, Utah.

MARINE PICTURE

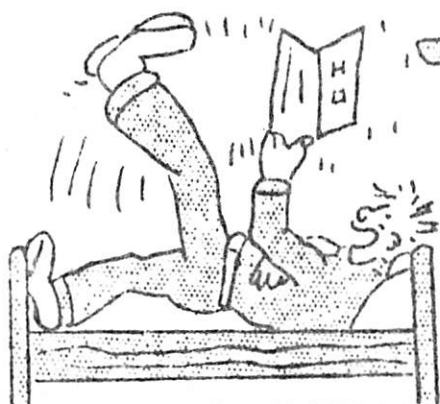

A moving picture titled "Soldiers of the Sea," will be shown in camp on Friday, November 10th., by an officer of the United States Marine Corps.

LIBRARY BOOKS

All Camp Library books must be checked in within a two week period. In the future those failing to return their books will be fined for each day late. In the event that a book is lost the person having it checked out must pay for the cost of the book. DO NOT ABUSE THESE BOOKS IN ANY MANNER....

READING ROOM AND EDUCATION BUILDING MUST BE RESPECTED AT ALL TIMES. THERE WILL BE NO TALKING IN THE TYPING ROOM. THIS WILL BE ENFORCED TO THE FULLEST EXTENT.

JOKES

Moran says, "Some girls will go out with any worm when they're fishing for a husband."

Beck: What do you think would go well with my new purple and green socks?

Swede: Hip boots.

Alex M: That means fight where I come from, Reekie.

Reekie: Well, why don't you fight?

Alex M: Cause I ain't where I came from.

Wyatt: I'll marry you if you'll let me have five bucks for a license and so forth.

Gal: What's the "and so forth?" Men say for the preacher?

Wyatt: Naw, money for a quart of gin to make me drunk enough to go through with it.

Gal: Flash, my boy friend, is a bone specialist.

G.F: He sets em?

Gal: No, he rolls 'em.

Dutch: My girl has a birthday tomorrow and I don't know what to give her.

Preacher: Why not ask her what she wants?

Dutch: My heavens! I couldn't afford that.

When a girl puts on the dog, she's all through with puppy love.

"Hello! This is Wiggins. Listen, Fred, I am stranded in Provo and need \$10.00."

"I can't hear you. Something is wrong with the phone."

"I want \$10.00."

"I can't hear you."

Operator - "I can hear it O.K."

"Well, you give Wiggins the \$10.00."

Wife: You beast! When you married me I thought you were daring and courageous.

Gross: That's nothing. Name one person who didn't.

Preacher: I'll have you know my voice is a gift.

Gal: Well, I hardly supposed you paid for it.

Dr. Nielson: Tell me what a spinal column is?

Yost: The spinal column is a bunch of bones that run up and down your back to keep you from being legs all the way up to your neck.

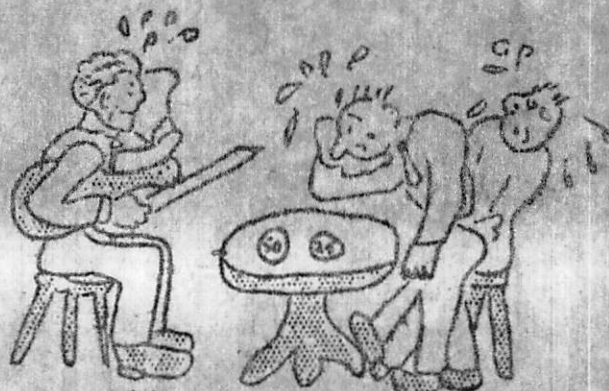

Lieut: I suppose a man like you expects to be independent when he's sixty-five?

Moran: Huh, How do I know how long my wife will live?

Have you any explanation for wandering around drunk at this time of night, demanded the policeman. And the Reekie answered, Say, if I had an explanation, I'd have gone back to camp an hour ago.
